

St Nicholas Primary School

Pupil Premium 2019/2020

Pupil Premium

At St Nicholas Primary School Primary School we support all our pupils. We do this by providing high quality classroom teaching, supplemented by interventions to support vulnerable learners as and when required.

We consider the individual needs of pupils when looking at and planning the type of provision required. For the academic year 2019/2020, the table below highlights the areas of need and the strategies we are using to raise achievement.

PPG allocation based on pupils on roll in Sept 2019 8 children = £10,520

Barrier to Learning	Pupil Premium Funded Strategy	Rationale & Outcomes – how will we know if the strategies have worked?
Achievement: Development of basic skills (Reading, Writing and Maths)	<p>Funding for TA to support good quality first teaching and intervention programmes in reading, writing and mathematics for pupils working below age related expectations</p> <p>Phonics intervention programmes</p> <p>Staff training and purchase of resources in line with School Development Plan priorities</p> <p>Purchasing of reading books targeted at specific year groups.</p>	<p>All the pupils will achieve a good level of development at the end of their time in foundation stage.</p> <p>Outcomes for pupils in receipt of the premium will be at least in line with pupils in other schools nationally, who didn't receive funding.</p> <p>All Pupils – pupils will be meeting or exceeding age related expectations by the end of the academic year. For those pupils working below age related expectations progress is indicating that the gap between them and their peers is narrowing.</p>
Behaviour, Attitudes and Emotional Well-being	<p>ELSA (Emotional Literacy Support Assistant) program – working with pupils on a One to One basis or in small groups</p> <p>Friendship groups</p> <p>Mindfulness activities</p> <p>Family Support Worker</p>	<p>Fewer behaviour incidents recorded for these pupils on the school system.</p> <p>Discussion with targeted children show increase in emotional well being and resilience</p>

	Alternative Provision supported by agencies such as JAC and Reading Play	
Universal support for pupils	Subsidised trips/ visits/ extra-curricular clubs Uniform	Children will have the same opportunities offered to all pupils. Children will experience extra-curricular activities and educational benefits.
