Wokingham Borough Council

Diocese of Oxford

9<sup>th</sup> May 2019

Dear Parent/Carer

As you are aware the school was recently subject to a one-day Ofsted inspection.

The St Nicholas CE Primary School Board of Governors is pleased that we have received an inspection result of 'Good'.

These inspections are very thorough and include speaking with pupils, parents, staff and governors as well as lesson observations, looking at school work and school data among other things. We would like to thank all who have taken part and especially the staff who did an excellent job in providing all the information the inspector requested. We would also like to thank the parents/carers and pupils who took time to speak with the Inspector.

Together with Miss McGrail, the Board of Governors has a very strong ambition to drive the school towards 'Outstanding' and this is our key focus over the next 3 years (when, we will be due the next Inspection). It's a very tough challenge, but we are all focused on striving for this. Our school development plan, together with the action plan that will come out of this Ofsted Report, will be the driving force towards our 'Outstanding' aim.

We hope that you enjoy reading the report and if you have any queries on this, please address them to Mike Jackson, Chair of Governors or to Miss McGrail.

Kind regards

St Nicholas CE Primary School Board of Governors
