

Wokingham Library Code Club

**Saturday November 7,
there will be a Code Club on Scratch and Python**

**Code Club is a group for children aged 9 to 12
who would like to learn to program using the
Code Club projects with the help of volunteers.**

**The sessions are currently running on the first
and third Saturday of each month, using
Microsoft Teams.**

**For more information about Code Club and to
join our virtual session, just email:
libraries@wokingham.gov.uk**
