Wokingham Library Code Club

**Saturday November 7,
there will be a Code Club on Scratch and Python**

Code Club is a group for children aged 9 to 12 who would like to learn to program using the Code Club projects with the help of volunteers.

The sessions are currently running on the first and third Saturday of each month, using Microsoft Teams.

**For more information about Code Club and to join our virtual session, just email:
libraries@wokingham.gov.uk**
