Dear Parent/Carer

Following the Government update presented by Boris Johnson at 8pm tonight, I am writing to inform you that school will be closed until after the February half term break.

**Tomorrow will now be a second INSET day for staff to plan remote learning for all pupils.**

Parents of pupils who have BOTH parents with a **Keyworker** role, or single parents with a keyworker role who would like their pupils to attend school are asked to please email the school as soon as possible at [admin@st-nicholas.wokingham.sch.uk](mailto:admin@st-nicholas.wokingham.sch.uk). I will then telephone to discuss provision for those children.

Some parents have already received a call from myself today and do not therefore need to email this evening.

Also, parents of pupils with an **EHCP** who would like continued provision for their child, please email the school at [admin@st-nicholas.wokingham.sch.uk](mailto:admin@st-nicholas.wokingham.sch.uk)

We are very fortunate to have been in the position to offer all pupils continued schooling from tomorrow and that bears testament to the dedication of all staff who were ready to return tomorrow. Sadly, it is not to be.

The Governors and staff remain committed to providing support and remote education to all families.

There will be more information tomorrow which will include a timetable for remote live sessions for each class. Please email [ictc@st-nicholas.wokingham.sch.uk](mailto:ictc@st-nicholas.wokingham.sch.uk) if you require assistance with password resets for MS Teams and we will do our very best to assist as quickly as possible, but please be patient. There are full step-by-step instructions on our website under the Pupils/Remote Learning tab.

Please stay safe and be there for one another in our school and Hurst community.

Yours sincerely

Debra McGrail  
Headteacher
