### 'Thank You' from Mrs Lynch

Mrs Denise Lynch was delighted with the cards, messages (including video messages) and flowers she received to mark her 30 years' service. She even received a message from a current parent who remembers Denise supervising her during lunchtime here at St Nicholas School a 'few' years ago. Denise has asked that we send her heartfelt thanks to everyone.

### Staff News

Congratulations to Mr Dale Godden who has successfully secured a Schools Direct teacher training placement from September 2021. This means he will spend the year training in two different Primary schools, with St Nicholas as his host school. Mr Godden joined us in November and has been working as a 1:1 Teaching Assistant in Longfellow class. He clearly has a passion and flair for teaching as many pupils in Longfellow will confirm. Mr Butler-Willis and Mrs Rudd have enjoyed working with Mr Godden. We are delighted he has chosen St Nicholas as his host school. We wish you the very best of luck Dale!

### **Children's Mental Health Week – Express Yourself**

This week I invite you to watch this short message from the Duchess of Cambridge. Her words fit perfectly with the messages I have been sending home the last few weeks. The Duchess highlights the crucial need for parents and carers to look after their own mental wellbeing, and the impact that this has on the children in their care.

The theme for this year's Children's Mental Health Week is 'Express Yourself' and focuses on the creative ways children and adults can share feelings, thoughts or ideas through art, music, writing, poetry, dance, drama, photography and film, or just doing activities that make them feel good. <https://youtu.be/PEBURwEL9HM>

This week, if the children would like to photograph or compile a very short film of them "expressing themselves", please email them to me at [senco@st-nicholas.wokingham.sch.uk](mailto:senco@st-nicholas.wokingham.sch.uk) and I will put together a short compilation of their creations.
