Dear Parents,

We are pleased to announce our New Dynamic Coaching Programme which is taught by our Professional, Qualified Coaches. The Coaching Programme delivers the fundamentals of football through a variety of drills and games. Including dribbling, passing, defending, shooting and goalkeeping.

All drills are taught in a fun and engaging way, with matches played each week. Children will develop and enhance sporting ability along with improving their strength, stamina, speed, power, balance, agility, co-ordination, technical skill, and decision making. At all times building confidence, improving fitness, team building, social skills and having fun.

**We pride ourselves on small, devoted coaching groups to ensure children are always fully involved and engaged throughout each session therefore places are very limited.**

The Coaching Programme runs for 8 weeks with new courses running consecutively. The cost of a place on our Coaching Programme is £100 for Children aged 4 – 5 (60 Minute Sessions) or £125 for Children aged 6+ (90 Minute Sessions) payment is required in full via bank transfer to confirm your child's place, payment details will be sent once your child's place is booked.
