## Remembering Queen Elizabeth II

It was lovely to see the children and staff come together this week and sharing memories of Queen Elizabeth II. While a sad time for everyone, we ensured that the children reflected on what she taught us as a nation and her kindness and love. It was this and her faith which she built her foundations upon. The children have penned some thoughtful words in our Book of Condolence.

## New Clubs and Activities

Feedback from parents regarding the new Get Active after school club have been positive. We continue to see numbers grow and as we increase numbers we are looking forward to adding more and more exciting activities for the children. This week starts with Netball with Mrs Rudd.

Morning Judo club with Ollie Fricker has proved popular with over 20 children joining these classes. I believe there are a couple more spaces if your child might be interested. <https://judo-school.class4kids.co.uk/term/33>

We have had several children signing up to music tuition. Tony Lyons will be teaching guitar lessons on Mondays. For more information on this please email [tonytonylons@gmail.com](mailto:tonytonylons@gmail.com) Mrs Clacey and Mrs Prince are offering a lunchtime recorder club which already has been popular with the children.

In an effort to broaden opportunities outside of lessons, we are exploring further activities to include in our offer. We hope to widen the range of opportunities through Berkshire Maestros and look forward to group piano lessons starting soon. More information to follow.

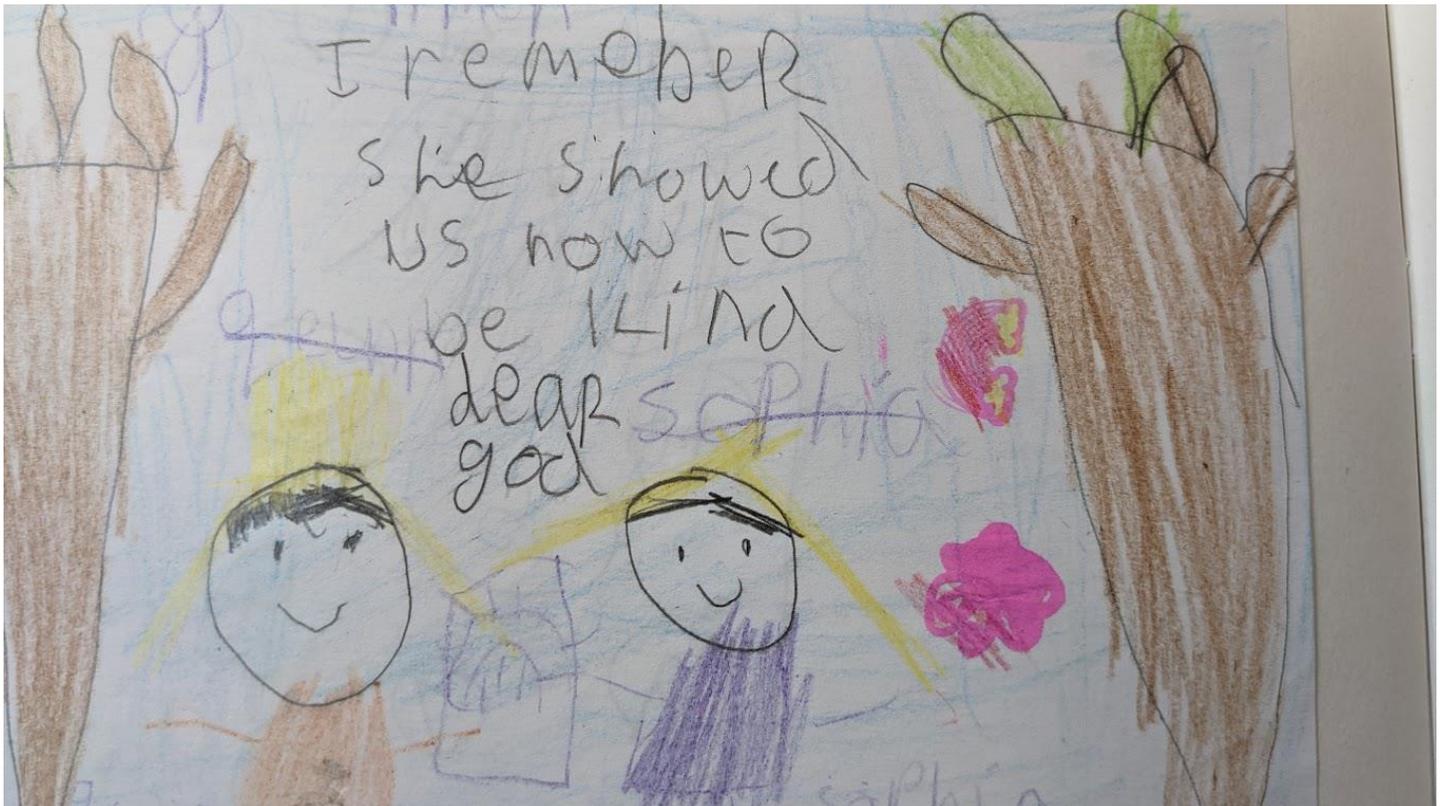

## Thank you

To all the parents and children this week for seamlessly moving to our new improved school start. Teachers and visitors have commented that the school day has started calmly and lessons more promptly. If you need to speak to your class teacher, they will be available at 3.15pm on the school playground, or, you may prefer to email the office to make an appointment.

## HRH Queen Elizabeth II

Today I am feeling a bit strange and sad. I am feeling strange because now the Queen has died and there is going to be a King now, everything is going to change. I remember the Queen by doing the platinum Jubilee. We also got to take home mugs with the platinum Jubilee symbol on. I hope we never forget the long, wonderful 70 years of service the Queen gave us.
